The image illustrates the sign-in process for schoolwires. On the left, a close-up of the sign-in form is shown with three callout boxes: '6. User Name' pointing to the text input field, '7. Password' pointing to the password input field, and '8. Sign In' pointing to the 'Sign In' button. On the right, a screenshot of the same form in a Windows Internet Explorer browser window is shown. A large green double-headed arrow connects the two views, indicating the relationship between the close-up and the full browser context. The browser window title is 'Sign-In - Windows Internet Explorer' and the address bar shows 'http://www.schoolwires.com/signin.aspx'. The taskbar at the bottom shows several open applications including Microsoft PowerPoint and a synergy log in window.

9. Click on my name (Mr. Fisherowski).
