

## GREAT NEWS

We now have a District Orchestra host. Mark Napolitan and Don Lyle are going to co-host (and save) this year. The selection meeting will take place on November 8th. All paperwork MUST be received in no later than Monday, November 2nd. That means it must be in the mail by Friday, October 30. You will probably NOT receive a paper mailing since we are a bit short on time.

The meeting and the festival will be at Warren HS. The meeting will start at 2:30pm in the band room.

I have attached the form you need to fill out for your rankings. Please download it and print it off.

The other paperwork you need for the selection meeting can be found at the following links:

Please understand that paperwork that is not totally filled out will not be accepted as valid.. This includes ALL signatures and information. We will not have time to contact you if things are not correct (nor should we have to). If you have any questions, please email Julie Morris (District 2,3,5 Orchestra Coordinator) -@
